## **MEMORANDUM OF UNDERSTANDING**

regarding

### **ACADEMIC COOPERATION**

between

**University of Oulu, Finland**

and

**Tomsk State University, Russia**

This Memorandum of Understanding (MOU) is a non-binding statement of intent of the Parties to establish joint co-operation.

In accordance with their mutual interest in a program of cooperation and exchange focused on Biophotonics, Biomedical Optics, Biomedical Imaging, Sensor Technologies, Data Mining based computational studies and Electrical Engineering, University of Oulu in Finland and Tomsk State University in Russia join this Memorandum of Understanding (MOU) with regard to educational and scientific cooperation.

Both universities have reached an accord on the following areas of cooperation, subject to mutual consent and availability of funding:

- Exchange of students and credits
- Exchange of faculty members
- Joint research activities
- Internship exchanges
- Dual degree program at bachelor/master/doctoral level

The terms of above mentioned planned activities shall be mutually discussed and agreed upon in writing by the Parties, before the initiation of the any program or activity.

The fields and forms of cooperation will be identified separately and they will depend on the professional priorities and the financial resources of the Parties. Details and conditions of cooperation will be agreed upon in separate written agreements. The separate agreements will contain, including but not limited to, the fields of cooperation,
