HOMESTAY ACCOMMODATION

Homestay accommodation gives you an excellent opportunity to explore British culture whilst improving your English language skills.

Living in a British family environment will give you the chance to practice the language and learn about the British way of life. Our host families all live between zones 2 and 4, so your journeys into London will be simple and should never take longer than 45 minutes.

Homestays will vary in cost according to location, with the city centre being most expensive. During your stay you will be regarded as a family member and must follow the house rules.

A limited number of homestays in zone 1 are available on request.

London is a large and extremely cosmopolitan city. The diversity of our host families reflects this. What they all have in common though is that they are native English speakers who use English as their main spoken language.

We know that traveling to a new country can be stressful. That's why we are here to assist you in any way we can. Our experienced staff members are always on hand to help you with anything relating to your accommodation arrangements.

Self-Catering

This option gives you maximum freedom and an independent lifestyle within a family home. You can prepare your own meals and will have space to store your own food.

Single room £145–185

Twin room £135–175

Bed & Breakfast

Maintain a high level of independence while taking advantage of the opportunity to interact and practice your English. You will be allowed light use of the kitchen, and a continental breakfast will be provided by the family.

Single room £145–185

Twin room £135–175

Half Board

A continental breakfast and evening meal will be provided by the family. You will have more contact with the homestay provider, meaning more opportunity to practice English in a family environment.

Single room £170–205

Twin room £165–210

A number of homestays in zone 1 are available at an extra cost of £50 per week. Subject to availability.

After arrival

Once you have received confirmation from us, you should contact your host family to introduce yourself and let them know your arrival time.

You are welcome to contact us with any concerns, questions or problems when you arrive. Please also remember to come and see your accommodation officer on your first day at the school. We are certain that you will have an extremely enjoyable stay, but if you experience any problems you should get in touch with us as soon as possible.

Please remember that you will be living as part of a family and that they may be concerned if

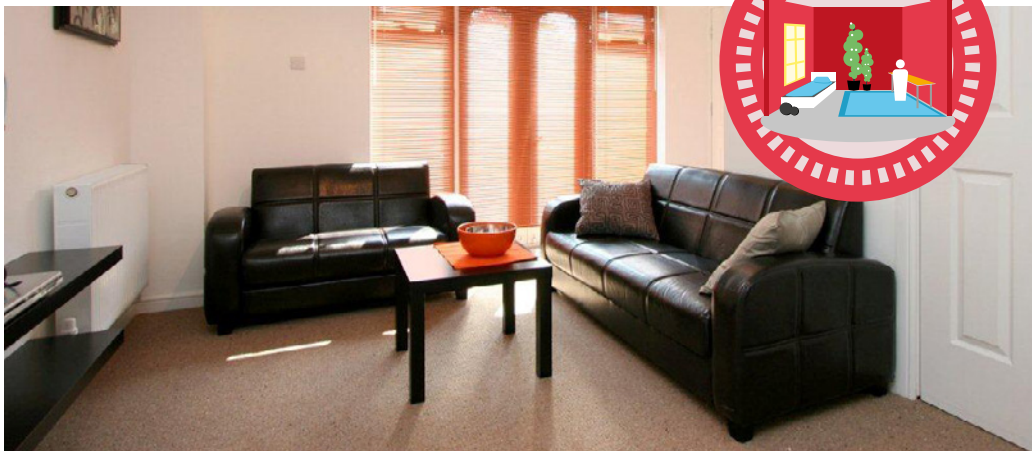

you are out late or choose to spend the night away from home. You should always let them know your plans in advance and if you are ill, ask them to contact their doctor and alert us.

If you have any financial issues, please come and speak to us directly as host families are not able to discuss these with you.

Remember that though LSBF School of English and our host families want you to have an experience to remember, it is reliant on both parties adapting to each other.

Please familiarise yourself with the student guide to homestay.
